Appendices	Two – NHS Long Term Plan / Executive Summary				

Executive Summary	<p>NHS England released the ‘Long Term Plan’ on 7 January 2019. This they note reflects advances in medicine, changes in society and health needs. Therefore, the NHS must move forward over the next 10 years so that there will be a service fit for the future.</p> <p>The NHS Long Term Plan has been drawn up by frontline staff, patients groups, and national experts to be ambitious but realistic.</p>				
Recommendation	The Committee is asked to note the content of this report.				
Risk	High	Medium	X	Low	
Key Risks	Risks will be considered within the CCG and raised as a part of the NHSE assurance process.				
Impact on Quality	<p>The plan is noted as being constructed by frontline health and care staff, patient groups and other experts. This process has included 200 events, and 2,500 submissions received from individuals and groups. These it is stated, represent the opinions and interests of 3.5 million people.</p> <p>Although further details are still to follow, there are implications for Primary Care in the plans for Primary Care Networks. This is likely to influence quality in terms of practice collaboration and delivery of services, particularly in terms of closer integration with Community Services.</p>				
Impact on Finance	Further details are to follow but the plan notes increasing funding for primary and community care by at least £4.5bn as part of the settlement.	Finance Lead Sign off Name Lead:	n/a
