<b>Appendices</b>	One – GPFV Report				

<b>Executive Summary</b>	<p>The General Practice Forward View (GPFV) was published in April 2016 and committed an extra £2.4 billion a year to support general practice services by 2020/21. It contains specific, practical and funded steps on investment, workforce, workload, infrastructure and care redesign.</p> <p>The aim of this report is to update the meeting about new and current work programmes, support and guidance available and evaluation and reporting requirements relating to the GPFV.</p>				
<b>Recommendation</b>	The Committee is asked to note the content of this report.				
<b>Risk</b>	<b>High</b>		<b>Medium</b>		<b>Low</b>
<b>Key Risks</b>	Risks will be discussed with the CCG and raised with the CCG as a part of the NHSE assurance process.				
<b>Impact on Quality</b>	<p>The General Practice Forward View (GPFV) was published in April 2016 and committed an extra £2.4 billion a year to support general practice services by 2020/21. It contains specific, practical and funded steps on investment, workforce, workload, infrastructure and care redesign.</p> <p>BaNES CCG and NHSE are working to ensure that patients receive high-quality and safe care and that practices are supported to improve as GPFV projects are delivered.</p>				
<b>Impact on Finance</b>	Funding for the GPFV provides an extra £2.4 billion a year to support general practice services by 2020/21. It is delivered via a series of funded schemes with money being invested into general practice services either via NHSE or through CCGs.			<b>Finance Lead Sign off Name Lead:</b>	n/a
